### GENERAL SERVICE CONTRACTOR CARGO VAN SHELVING PACKAGE – MEDIUM AND HIGH ROOF VANS

Part #: 02R111KP

General service contractors bring a lot to the jobsite and staying organized is key to productivity. Your cargo van needs to have the right storage to keep tools, parts and other items secure and easily in reach, when needed. Drawer cabinets, composite parts bins and a triple utility hook add custom storage to Masterack steel shelving modules in our general contractor package.
